Old Business Recap

1. Approval of Meeting minutes. Minutes from the 6-28-22 meeting were sent out to the booster club and approved via email as they were not brought to the meeting.
2. Financials. Financials were not provided as the treasurer was not present for the meeting.
3. Fundraiser Update- We will be doing a \$100/ticket cash raffle with the chance to win \$1000/mo. Permit request has been sent, waiting on final approval to launch.
4. Golf Tournament Update provided by Nathan Kupfer
 - Golf Registration is down slightly at around 24 teams, thinking a few more might come in.
 - Sign-up- there is a lack of parent and player volunteers and donations for this event. Please share and/or help as you are able.
5. Last Open Field- Last open field is set for tomorrow, Wednesday, July 20th. $\frac{3}{4}$ of the snack/meal requests are filled. Please volunteer your time to hand out food and drop off supplies.

6. Military Night update- We will be working with CHS to fundraise for military night, apparel will be pre-ordered and provided prior to the October 7th game. It was suggested that we have a traveling trophy that will be awarded to the team with the top sales, which would be provided by the vendor, GoPromo. The Booster club was ok with this as long as it didn't detract from the reason that we are doing this.

New Business

1. Sponsorship Drive provided by Scott Miller- Sponsorship packets are ready and will be updated on the website for use. The year prior list is available and will be updated to remove Booster contacts for those that have graduated. Selling for these can start Thursday, July 21st and will need to be completed by Monday, August 8th to be recognized in the programs.
 - a. Booster Club players/parents who sell a sponsorship will not be required to pay dues, which are \$60/season. To increase booster club fees, a quick recap of what the Booster Club provide for the football team will be provided to the parents at the orientation meeting. It was also discussed to have an option to pay online through the BPS Foundation but no action was taken on that as it would need to be run by Treasurer Wetzstein.
